Intervacc announces change of CEO

The Board of Directors of Intervacc AB (publ), together with Jonas Sohlman, has agreed that he will leave his role as Chief Executive Officer and Group CEO.

Simultaneously, the Board has appointed Carl-Johan Dalsgaard as the new Chief Executive Officer and Group CEO with immediate effect.

– The Board thanks Jonas Sohlman for his strong efforts in developing the company and laying the foundation for its upcoming expansion, says Chairman of the Board Håkan Björklund. A new leadership is now installed in order to guide the company through its continued journey and growth phase.

Carl-Johan Dalsgaard has an extensive clinical and scientific background, is a specialist physician, and holds a PhD from the Karolinska Institute. He has more than 25 years of experience in drug development at Astra/AstraZeneca and several biotech companies.

Since 2000, Carl-Johan has been active as a Venture Partner at HealthCap, a leading European life science venture capital investor. He has served as CEO of several biotechnology companies, including Vicore Pharma (publ), Biolipox and Affibody. Carl-Johan also has many years of board experience, including Renovo (UK, public) and Tengion (US, public).
