Intervacc conducts share issue, directed to both previous and new investors

Intervacc is now carrying out a new share issue of 3,624,518 shares with preferential rights for the shareholders. This issue provides the company with approximately SEK 8.3 million. Shareholders of record date October 13, 2016 will receive information from your financial institute, or from Euroclear about the details.
In addition to the rights issue, the Board of Intervacc decided on a directed share issue of a maximum of 2,000,000 shares, which provides the company with SEK 4.6 million.
The subscription period is from October 17 until October 31, 2016.
Additional information is available in our press release (in Swedish only).
