# Strangvac, a vaccine against equine strangles released for sales in Germany, France, Austria and the Benelux

Stockholm, October 12th, 2022 - Intervacc AB (publ) announces today that the first batch of Strangvac® for sale in Germany, France, Austria, Belgium, Luxemburg and the Netherlands has been released.

“*The first batch of Strangvac® for Germany, France, Austria, Belgium, Luxemburg and the Netherlands has now been released. This means that sales of Strangvac® in these countries can begin shortly*”, explains Andreas Johansson, Logistics Manager at Intervacc.

"*Strangvac® is approved for sale and marketing in the EU as well as the UK, Norway and Iceland, and has been launched in Sweden, Denmark and in the UK. France, Germany, and the Benelux region are among the largest markets in Europe for equine vaccines. Outbreaks of equine strangles occur regularly and is the cause of great suffering and costs in these regions and across Europe. With the release, we have a finished product approved for launch in these countries. This is significant milestone for our continued launch around Europe.*” comments Andreas Andersson, CEO of Intervacc.
