Strangvac, a vaccine against equine strangles released for sales in the UK

Stockholm, July 20th, 2022 - Intervacc AB (publ) announces today that the first batch of Strangvac® for sale in the UK has been released.

“The first batch of Strangvac® for the UK market has now been released. This means that sales of Strangvac® in the UK can begin shortly”, explains Andreas Johansson, Logistics Manager at Intervacc.

"Strangvac® is approved for sale and marketing in the EU as well as the UK, Norway and Iceland, and has been launched in Sweden and Denmark. The UK is expected to be one of the largest markets in Europe for vaccines against the highly contagious infectious disease equine strangles. With the release, we have a finished product approved for launch in the UK. This is significant milestone for our launch in Europe.” comments Andreas Andersson, CEO of Intervacc.
